Subject: Accountability System for Educator Preparation Results from the 2024-2025 Academic Year

Dear Dr. Villanueva:

This is official notification that TEA staff will recommend that your program be assigned the following status under the Accountability System for Educator Preparation (ASEP) at the February 13, 2026 State Board for Educator Certification (SBEC) meeting:

Accredited

This recommended accreditation status is based on 2024-2025 academic year data, reflected in the attachment, and the rules currently in effect to determine accreditation ratings.

Once the recommendation is approved by the SBEC, the status will be effective from the date the SBEC approves it until the SBEC approves the next annual accreditation ratings based on 2025-2026 academic year data. After the SBEC takes action on this recommendation, TEA staff will post accreditation statuses for all educator preparation programs (EPPs) on the Educator Preparation Program Dashboards, accessible from the [Consumer Information webpage](#).

The accreditation status is determined as described in §229.4(b), using the methodology detailed in Figure:19 TAC §229.1(c). Attachment II provides detailed calculations for your EPP.
